Dear Mr. Wallgren:

Knowing of your interest in this matter, I am enclosing a copy of my comments on the U.S. Army Corps of Engineers public notice on the proposed dredging at the U.S. Steel Gary Works.

If your office filed comments on the revised public notice, I would appreciate receiving a copy of them.

I also enclose a copy of our Annual Report, which may be of interest to you.

Sincerely yours,

*David Dinsmore Comey*
